

# Support a safe and healthy school year

No matter which learning model districts choose, look to Ergotron for flexible movement solutions that offer a comfortable, personalized fit to support increased focus, well-being and academic outcomes.

**IN-PERSON LEARNING:** Help make the most of limited classroom space by promoting safe distancing and comfortable learning and teaching sitting or standing.

**HYBRID LEARNING:** Meet the needs of both in-person and virtual learners with flexible, mobile solutions for streaming, recording and class participation.

**DISTANCE LEARNING:** Support engagement for virtual learners with sit-stand workstations that move wherever students work best with flexible options for streaming or recording lessons.
