

Adopt a Hybrid Workstyle

COMFORTABLE WORKING FROM ANYWHERE

ergotron®

Meet the unique needs of employees wherever they work

Hybrid work models are the new normal, with many knowledge workers splitting time between home and the office. Support healthy work environments for hybrid teams by creating adaptable workspaces that promote comfort, collaboration and safe spacing.

“ **A HYBRID WORKFORCE IS THE FUTURE OF WORK.** ”
— RANJIT ATWAL, GARTNER SENIOR RESEARCH DIRECTOR

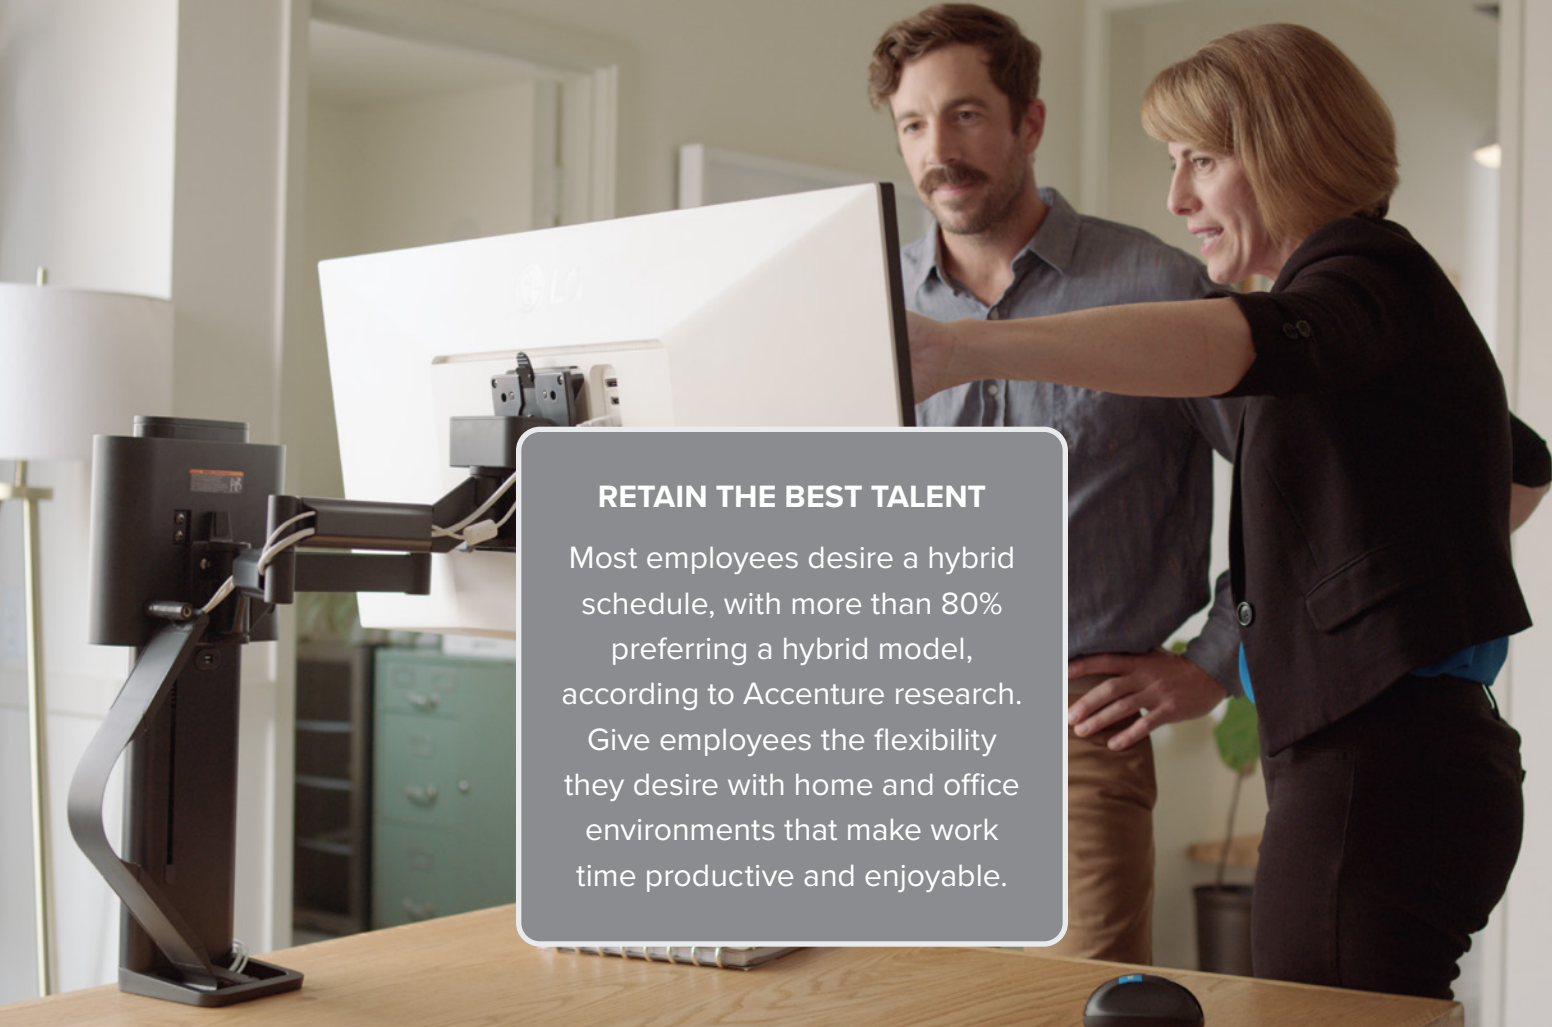

CORPORATE OFFICE

Make the most of in-office time with adaptable workspace solutions that enable collaboration or focused work, while giving remote colleagues a virtual seat at the table.

HOME WORKSPACE

Enable the same level of productivity at home with or without a dedicated space. Provide easy movement, more work area and the flexibility to work from any room.

RETAIN THE BEST TALENT
Most employees desire a hybrid schedule, with more than 80% preferring a hybrid model, according to Accenture research. Give employees the flexibility they desire with home and office environments that make work time productive and enjoyable.

ENABLE HYBRID TEAMS TO THRIVE WITH FLEXIBLE WORKSPACES THAT:

- Promote comfort:** Ergonomic workspace solutions easily adapt to individual users to help alleviate aches and pains and make the best use of limited space
- Encourage collaboration:** Accommodating different technology and locations encourages dynamic interactions between in-person and remote colleagues
- Support safe spacing:** Mobile workspaces enable physical distancing for team meetings or individual work, and promote organic discussions

TRACE™ Monitor Mount
Effortlessly adapts to each user in shared or individual workspaces

Mobile Desk
Moves easily from room to room for individual or group work

Mobile Media Center
Engage in-person and remote team members
